PERSONAL INFORMATION Father Name: Father Name Place of Birth: City
Date of Birth: 01-01-2000 Domicile: City, Province

RESEARCH FIELDS – Fabrication of metal ions doped glasses by field-assisted solid-state ion diffusion technique
– Physics and chemistry of the diffusion process and precipitation of the nanoparticles in glass

EDUCATION University or Institute, City, Country August 2011 – March 2012
Degree
Research Field: X-Ray Absorption Fine Structure (XAFS) Spectroscopy
Supervisor: Dr. Khan

PROFESSIONAL EXPERIENCE University of Peshawar, Peshawar, Pakistan March 2016 – Present
Associate Professor (3 Years and 7 Months)

University of Peshawar, Peshawar, Pakistan September 2012 – March 2016
Assistant Professor (3 Years and 6 Months)

RESEARCH FUNDING • **PKR 20m, HEC–NRPU project 2019–2021** Novel solar cell coverglass, HEC, Pakistan.
• **PKR 5.0m EU Erasmus+ Mobility 2017–2021** Mobility project

AWARDS AND FELLOWSHIPS September 2011 Postdoctoral fellowship
September 2005 PhD fulltime fellowship
